GestorClientes.MostrarClienteEncontrado] --> C;
```

The diagram illustrates a mapping or dependency between two source components and a target component. On the left, there are two white rectangular boxes with black borders. The top box contains the text 'GestaoAlojamentosTuristicos. GestorClientes.ListarClientes'. The bottom box contains the text 'GestaoAlojamentosTuristicos. GestorClientes.MostrarClienteEncontrado'. On the right, there is a gray rectangular box with a black border containing the text 'GestaoAlojamentosTuristicos. Cliente.ExibirInformacoes'. Two blue arrows originate from the right side of the two white boxes and point towards the left side of the gray box, indicating a relationship or flow from the source components to the target component.
